Achromatopsia Convention 2017 Schedule

Medical College of Wisconsin, Health Research Center, 8701 Watertown Plank Road, Milwaukee, WI 53226

	FRIDAY JULY 21		
Time	Presenter(s)	Presentation/Activity	
8:00-9:30	Genetic Testing and Retinal Imaging through Advanced Ocular Imaging		
	Program (consent, blood draw for genetic testing, and imaging) for those		
	with appointments		
8:30-9:30	REGISTRATION CHECK-IN and CATERED CONTINENTAL		
	BREAKFAST		
9:30-9:45	Welcome/Intro to Weekend		
9:45-10:15	Dr. Christine Kay	Clinical Overview of Achromatopsia	
10:15-11:00	Dr. Shannon Boye	Gene Therapy 101 and Current	
		Applications	
11:00-11:15	***BREAK***		
11:15-11:45	Dr. Christine Kay	Clinical/Surgical Aspects of Gene Therapy	
11:45-12:00	Dr. Christine Kay and Dr.	Joint question/answer session from	
	Shannon Boye	participants	
12:00-1:00	***CATERED LUNCH***		
1:00-1:45	Dr. Susanne Kohl	Gene Therapy research in Germany	
1:45-2:15	Dr. Joseph Carroll	Retinal Imaging	
2:15-2:30	***BREAK***		
2:30-3:30	Adult Panel: This moderated session will feature several adults with		
	achromatopsia in a question-answer format. The purpose of the panel is to		
	provide a format for which to discuss questions/issues/solutions in the		
	areas of school, college, work, and life relevant to those affected with		
	achromatopsia.		
3:30-5:00	Genetic Testing and Retinal Imaging through Advanced Ocular Imaging		
	Program (consent, blood draw for genetic testing, and imaging) for those		
	interested and/or have appointments		
6:30	Group Social Evening for those interested:		
	Dave and Busters		
	2201 N. Mayfair Rd. Wauwatosa, WI.		
	(5-minute walk from Radisson Milwaukee West Hotel)		

Participation in genetic testing and imaging research is available by appointment on Friday and Saturday. Please contact Erin at eccurran@mcw.edu.
